

CCG Objectives for 2016/17

Theme	Objective
Improved services, outcomes and care quality for our population	<ol style="list-style-type: none"> 1. Ensure local people receive high quality services that are safe, improve outcomes for people, and are delivered with kindness and compassion. Where care does not meet required standards, take action to improve the quality of these services. 2. Deliver the actions within our improvement programmes to improve the quality, outcomes and performance of services. Our improvement programmes include: (1) prevention and self-care, (2) primary care, (3) integrated community care, (4) urgent and emergency care, (5) planned care, (6) specialist care 3. Ensure that all constitutional standards are achieved for the North-East Hampshire & Farnham population.
System reform	<ol style="list-style-type: none"> 4. Through the delivery of the Vanguard Programme and through the development and delivery of the Frimley and Hampshire & Isle of Wight Sustainability and Transformation Plans (STPs), accelerate the pace and scale of delivery of new models of care and transformation. 5. Develop, agree and put in place revised contracting, payment and governance arrangements with partners to support delivery of the system strategy, and the creation of a place-based system of care.
Engagement and Partnerships	<ol style="list-style-type: none"> 6. Strengthen and embed robust processes to engage and co-design with the local community, ensuring that their views and experiences directly influence CCG priorities, plans and delivery 7. Further improve and embed the arrangements through which member practices operate within and contribute to the work of the CCG, in order to accelerate planned service improvements 8. Further develop and strengthen the partnerships we need to improve health and health services for our population 9. Effectively discharge our responsibilities as lead commissioners for children's services and for mental health and learning disability services, ensuring that these services meet the needs of the populations they serve.
Financial sustainability	<ol style="list-style-type: none"> 10. Continue to refine and implement our five year financial plan which ensures the sustainability of services for our population and ensures that CCG has the resources and resilience it needs to deliver its strategy 11. Deliver our annual financial plan, achieving value for money and meeting our financial obligations.
CCG people and organisation	<ol style="list-style-type: none"> 12. Refresh and implement our organisational development plan, developing our people, culture and clinical leadership to enable innovation and excellence, managing within our running costs 13. Ensure that the necessary internal systems, processes, constitutional and governance arrangements are in place to enable the CCG to deliver its duties and responsibilities
